## Report of Principal and School

The school year 2013-14 was a year of change in a number of areas at York Preparatory Academy.

We welcomed a new Managing Director, Clay Eaton along with 30 new teachers and staff.

YPA began the school year at the beautiful 43-acre facility with four buildings in one location.

Our enrollment grew to almost 1300 students in grades K through 11. We will add 12th grade in 2014-15 and preparations for our first graduating class are already underway. School enrollment continues to grow. We anticipate an enrollment of 1519 with 339 for the high school.

This year we achieved AdvanceEd Accreditation. We designed a creative schedule to develop an intermediate school for grades 5 and 6. Our students participated in Dual Enrollment classes at York Technical College with a 95% Pass Rate. We eliminated virtual school programming and hired additional teachers to offer a wide variety of high school courses. The YPA band continued to grow and excel in competition and a marching band participated in two local parades. YPA continues to be involved in our community through blood drives, Angel Tree, food drives, Rolling in Rock Hill, Carolina Community Scholars, and hosting local HOA meetings. Our students participated in the Mock Trial and also had students participate in a trip to Washington DC with Close Up. York Preparatory held its first prom for the Junior class.

York Preparatory was selected as a Character Counts model school for 2012-13 and we hosted a Regional Training for the California-based Character Counts organization this spring. We continue to "live the Charter" as we engage and challenge each student to become lifelong learners, independent thinkers, respectful individuals, and responsible citizens.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>79.6</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

York Preparatory Academy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
